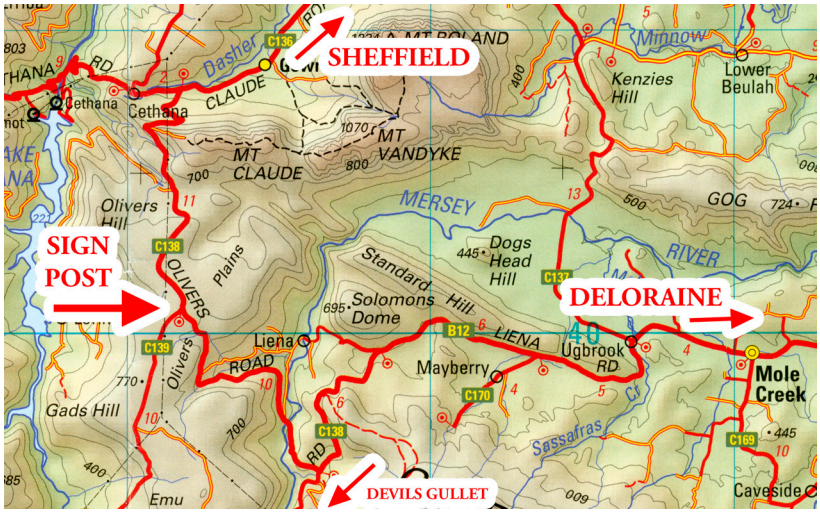
GETTING TO DORJE LING (map overview with notes on next page)

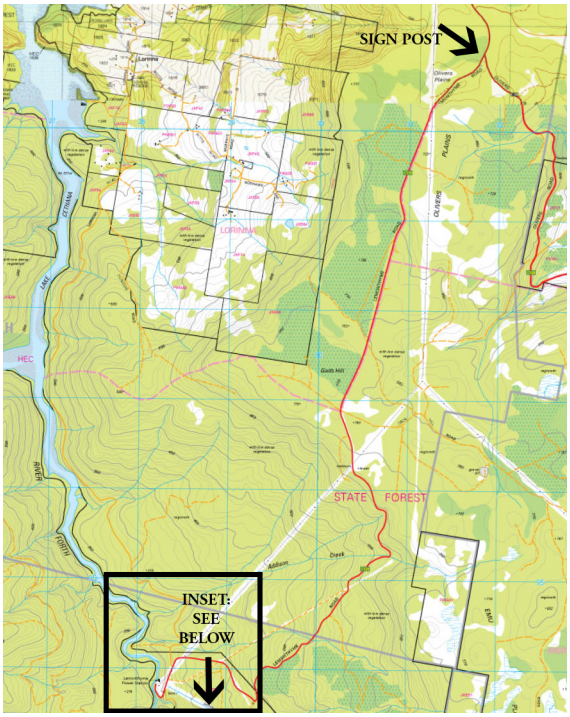
From Sheffield: Take the road through Gowrie Park. Turn left up Olivers Road C138 (see Note 1a on map), drive over the hill, and turn right at the signpost (pictured below) onto the C139 towards Lemonthyme Power Station and Lorinna. See Note 2 on map.



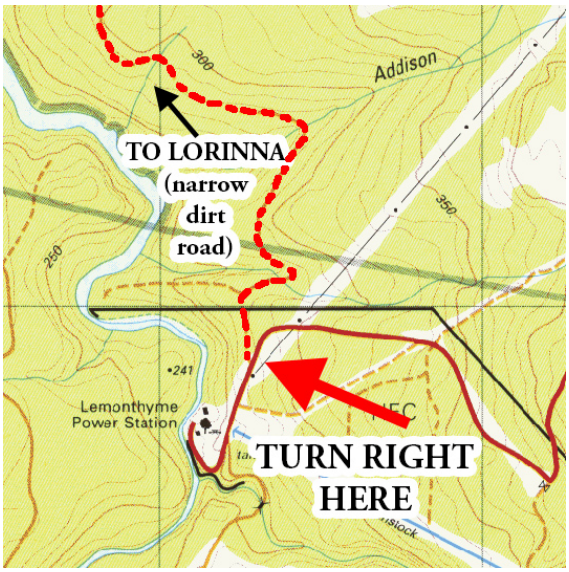
From Deloraine: Set your odometer before you leave Deloraine. Take the road to Mole Creek (B12). Turn right at the road to Devils Gullet (Note 1b).

(Devils Gullet Rd. If coming via Deloraine, turn right here towards Cethana to remain on C138).

At 56 km from Deloraine you will see the sign to Lemonthyme Power Station. Turn left here (Note 2).



Signpost at turnoff towards the Lemonthyme Power Station. Both routes turn off here towards Lorinna. (C139, Note 2.)



Just before the Lemonthyme power station there is a hard turn right onto a narrow dirt road that winds through the bush along the banks of Lake Cethana towards Lorinna (about 7 km). See Note 3 on map. Please drive slowly and carefully.

Dorje Ling is the first entrance on the left hand side before reaching the main township of Lorinna. The entrance is signposted.
